Subpart B—Accounting for Common Carrier Transportation

§ 301-72.100 What must my travel accounting system do in relation to common carrier transportation?

Your system must:

(a) Authorize the use of cash in accordance with §301-51.100 or as otherwise required;

(b) Correlate travel data accumulated by your authorization and claims accounting systems with common carrier transportation documents and data for audit purposes;

(c) Identify unused tickets for refund;

(d) Collect unused, partially used, or downgraded/exchanged tickets, from travelers upon completion of travel;

(e) Track denied boarding compensation from employees;

(f) Identify and collect refunds due from carriers for overpayments, or unused, partially used, or downgraded/exchanged tickets; and

(g) Reconcile all centrally billed travel expenses (e.g., airline, lodging, car rentals, etc.) with travel authorizations and claims to assure that only authorized charges are paid.

§ 301-72.101 What information should we provide an employee before authorizing the use of common carrier transportation?

You should provide the employee:

(a) Notice that he/she is accountable for all tickets, GTRs and other transportation documents;

(b) Your procedures for the control and accounting of common carrier transportation documents, including the procedures for submitting unused, partially used, downgraded/exchanged tickets, refund receipts or ticket re-

fund applications, and denied boarding compensation; and

(c) A credit/refund address so the carrier can credit/refund the agency for unused tickets (when the tickets have been issued using an agency centrally billed account or by GTR).

Subpart C—Cash Payments for Procuring Common Carrier Transportation Services

§ 301-72.200 Under what conditions may we authorize cash payments for procuring common carrier transportation services?

In accordance with §301-51.100.

§ 301-72.201 What must we do if an employee uses cash in excess of the \$100 limit to purchase common carrier transportation?

To justify the use of cash in excess of \$100, both the agency and traveler must certify on the travel claim the necessity for such use. See 41 CFR 101-41.203-2.

§ 301-72.202 Who may approve cash payments in excess of the \$100 limit?

You must ensure the delegation of authority for the authorization or approval of cash payments over the \$100 limit is in accordance with 41 CFR 101-41.203-2.

§ 301-72.203 When may we limit traveler reimbursement for a cash payment?

If you determine that the cash payment was made under a non-emergency circumstance, reimbursement to the traveler must not exceed the cost which would have been properly chargeable to the Government had the traveler used a government provided payment resource, (e.g., individual Government contractor-issued travel charge card, centrally billed account, or GTR). However, an agency can determine to make full payment when circumstances warrant (e.g., invitational travel, infrequent travelers and interviewees).
